### Winter Accumulator

Hello to everyone, its that time of year again when we draw the league to a close with our final flourish of matches in the Winter Accumulator and the next 10 matches will be very interesting.

The last few months of fishing hasn't been excellent but on behalf of the committee I would like to thank everyone for making an effort and showing that the club matches are enjoyable and good banter even when the fish do not play ball lets hope we can continue good turnouts for the next ten and of course into the new season in April.

The committee are now looking at a venue for our annual presentation evening and of course the dreaded AGM, a letter will be sent out in due course advising everyone of dates and times etc , with that in mind would all last years trophy winners please return the trophies by end of January to John Neave so they can be prepared for this seasons winners.

Please remember this is your club and your voice and opinions matter a great deal to its success and I would like to remind everyone that it is in your interest to be present at the AGM which is often very poorly attended, this year please make the effort to attend and have your say on all matters.

Happy New Year to All

And Tight Lines

Dene Conway

Club Secretary

.Next Committee Meeting

Tuesday 8th March

### Help 4 Heroes

Last year we managed to raise a small amount by donating our raffle fund from a match to the charity, this year however we have teamed up with several others to organise 3 qualifying events and one final, with proceeds going to the charity, please take the time to visit the website [www.eastanglia-championships.com](http://www.eastanglia-championships.com), click on each of the matches and please let Dene or one of the other organisers know which matches you intend to fish, this is a good cause and we would hope all club members will take part in at least one of these and hopefully show a strong representation at the final at Kings Lynn in June.

Committee:

Chairman: Tony Thomas  
Vice Chairman: John Neave  
Secretary: Dene Conway  
Treasurer: Simon Farrow

Committee Members: Sam Attew, Peter Loke, Henry Randell, Nicole Conway, Sherry Murray
