Summer Time

Welcome to the latest edition of our newsletter. The Summer species are appearing and hopes are high for some great smooth hound action and it looks like it could be a great bass season as well.

The committee would like to thank all members for supporting the club and the matches, its really nice to see good turnouts each week and the general atmosphere during and after the matches is great fun, good banter, friendly competitiveness and above all else no bloody politics. The general style of the club scene has changed to a more relaxed flexible program and I think this format will continue to help club growth.

Results have not been excellent but with different members getting into the frame more or less every match, its anyone's guess who will come out top dog at the end of the summer accumulator.

The next 6 matches should all be very good and for those that have not fished the Kings Lynn venue then your in for a big surprise, this is a very comfortable fishing area with large numbers of good sized flounders and some cracking sport with eels, so please for your own enjoyment come along and fish this one, as you won't be disappointed.

An important match will be the Bacton one with good chances of big bass and specimen smooth hound, this venue can throw up anything and it will be well worth fishing at this time of year.

We look forward to seeing all members at the upcoming fixtures.

Sea Angler Clubman League

Well done to Tony Thomas for winning the clubman individuals league and receiving £1000 in Penn tackle, unfortunately the HSAC team were pipped at the post and ended up in second place, still there is always the new league to try again, starting 1st of May so please let us know your teams, everyone will be entered into the individuals league.

Fixtures:

Kelling Sun. 2nd May 10am-3pm

Bacton Sun.9th May 11.30am-4.30pm

Salthouse Sat. 15th May 5.30pm-10.30pm

Kings Lynn Sun.23rd May 10am-4pm

Kelling Sun.30th May 10am-3pm

Salthouse 6th June 4pm-7pm

We will be holding the annual smooth hound Open and the Mackerel Bash again this year so lets hope the fish play ball !! Dates to be determined. And we will ring everyone nearer the time.

Teams of 5

This year it has been decided by SAMF to hold the national finals on the North Norfolk Beaches which is great news for HSAC being the premier club in the region, we have 3 teams that have qualified for the event in November, however 2 of the teams have struggled to find a full team each week, if you are interested in participating please see Dene at the next match

Important Changes

ALL Undersize fish now count for 3 weight points in all matches, if you are not in sight of another angler then these fish do not count, please just show the fish quickly to the angler next to you and return the fish immediately, once the fish is returned alive then register it on your card. This was introduced to reward those who happened to only catch undersize fish and to eliminate blanking in all matches. If in doubt please ask Dene or Tony for clarification.

Incoming Committee:

Chairman: Tony Thomas

Vice Chairman: John Neave

Secretary: Dene Conway

Treasurer: Simon Farrow
