### “Sea Angler” Penn Clubman League - Top Team

**Hello Club Members** ... The Summer species are starting to appear and with some specimen bass already been caught the signs are that we are in for a bumper summer accumulator. Although, the first 3 matches of the season have not been very productive and the last match which had to be switched to Kings Lynn because of a strong easterly wind was particularly poor. Fortunately, this sea fishing lark is so unpredictable that this could all change at the next match, let's hope this happens.

Some good news at last, the club has won the Sea Angler magazine's 2010/2011 Penn Clubman League by one point from Workington SAC. The Holt SAC A team comprised of Dene Conway, Paul Fenech, Peter Loke, Peter Morse and Tony Thomas amassed a total of 142 points over 20 matches from 1st May 2010 to 28th February 2011. In addition, in the individual Clubman's event Mike Laycock of Workington was the winner with 79 points with Holt's Tony Thomas 2nd on 62 points and Paul Fenech 4th on 48 points

All team members are to be congratulated on this achievement, giving the club continued national recognition. In addition, all club members should be applauded for providing the environment to enable the club to participate in this league. The 2011/2012 Penn Clubman league started on 1st May 2011 and we will again be entering teams in this year's event. The committee will shortly be selecting the teams and in contrast to previous years any prizes (Penn gear) won through this event will be donated to the club as agreed at the 2011 AGM.

All remaining fixtures for the summer are detailed in this newsletter and please note that the match at Kelling originally announced for Saturday 14th May has been moved to Sunday 15th May 2011. Further club information and match reports can be obtained from the club's website at ... [www.holtseaanglingclub.com](http://www.holtseaanglingclub.com) .

Hopefully see you all on the beaches this summer and that the next newsletter will contain some exceptional reports.

Regards,

Tony Thomas  
Club, Chairman

(August 2011)

#### Help 4 Heroes

The third of the 3 qualifying events of the H4H series will take place at Kelling on Sunday 22nd May. If you are interested in participating in this H4H match please visit the website [www.eastanglia-championships.com](http://www.eastanglia-championships.com), and please let Dene or one of the other organisers know. This is a good cause and we would hope all club members will take part and hopefully show a strong representation at the final at Kings Lynn in June.
