### **Whiting time!**

Its that time of year again when the whiting appear in numbers and our matches become hectic, lets hope we get some great results in the upcoming fixtures and everyone gets their fair share of the action.

Its been a good couple of months with plenty of fish for everyone and the competition is certainly fierce between the top 5 or 6 along with several rivalries springing up throughout the league table. Plenty of new members now turning up and enjoying the atmosphere and banter lets continue to make everyone feel welcome and grow the club to its full potential.

Congratulations are in order to those members who travelled to the SAMF UK Masters final at Chesil Beach in Dorset a very long drive and conditions were not ideal but we had about 10 HSAC members competing, Henry Randall won the Junior Masters and Nicole Conway was 2nd place in the Ladies Masters, the rest of us managed a few fish but it was not the easiest of venues and we all longed for the comforts of Kelling.

Lets hope we can repeat some success with the teams of 5 finals in November and make the event a great success for HSAC and SAMF.

On a final note please try to come along to as many matches as possible and please check your presentation packs for the questionnaire about future venues as the committee can only decide on where to fish with the input of ALL members.

### **Important Changes Reminder**

ALL Undersize fish now count for 3 weight points in all matches, if you are not in sight of another angler then these fish do not count, please just show the fish quickly to the angler next to you and return the fish immediately, once the fish is returned alive then register it on your card. This was introduced to reward those who happened to only catch undersize fish and to eliminate blanking in all matches. If in doubt please ask Dene or Tony for clarification.
